

# PSO CARDS DIVISION: ONLINE BILLS FACILITY SURVEY

Save paper, stamps and hassle. Replacing paper bills and statements with electronic versions allows you to save time spent in receiving paper based bills. Above all it helps in conserving our precious environment for now and for future.

Receiving e-bills is a convenience. You no longer have to worry about a stack of bills on your office table. You can view your bill(s) on your computer screen at your convenience anytime.

In our pursuit to facilitate our customers and to preserve our environment, PSO is running following survey to ascertain our customers preference for our online billing system. **The proposed e-bills will also remain in same format as used in existing paper based bills.** Existing e-bills in excel format for ease of calculations will continue to remain in place.

Filling this form will not take more than few minutes. It will help us serve you better. In case your preference is receiving paper based bills, we will still request your opinion.
