

Mr. M. A. Mannan
Chairman

M. A. Mannan is the President & CEO of TCS Holdings (Pvt.) Limited, the market leading logistics solution provider in Pakistan, since 2014. He has over 25 years of business experience serving in local and international leadership positions, during which he has established as well as turned around major banks in the conventional and Islamic banking spheres.

He has been leading TCS's transformation from a courier company to a life style company providing complete logistics solutions to its customers. Under his leadership, TCS has successfully introduced end-to-end supply chain solutions, automated its operations, entered strategic alliance with UPS to expand its global reach and launched Pakistan's premier e-commerce platform yayvo.com.

Prior to joining TCS, he served as the Executive Director at Silkbank from 2010 to 2014. From 2005 to 2010 he was CEO of Dubai Islamic Bank Pakistan, leading the launch of the franchise and establishing it as one of the leading Islamic banks in Pakistan. From 2003 to 2005, as Deputy CEO of United Bank Limited, he led the turnaround of the bank. He started his banking career at Citibank in 1991 working both in Pakistan and USA.

He is the founder of Pakistan Remittance Initiative (PRI), a joint venture between the State Bank of Pakistan, Ministry of Finance and Ministry of Overseas Pakistanis. This resulted in Pakistan achieving average annual growth of 16 percent in remittances from 2009 to 2016, including it in World Bank's list of top 20 remittance recipient countries. He is also an Ex Member of the Revenue Advisory Council to Federal Board of Revenue (FBR) in Pakistan.

Mr. Sheikh Imran ul Haque

Member

Mr. Sheikh Imran ul Haque is a magna cum laude Mechanical Engineering graduate with Member Master of Science in Industrial Engineering (major in Engineering Administration)-both from Syracuse University, New York.

Imran began his career in 1979 with Niagara Mohawk and worked with Bechtel in the USA till 1981 before joining Exxon Chemical Pakistan Ltd. in 1987 after a business development stint in the construction sector of Iraq and Pakistan.

He has held leadership roles with Engro/Exxon Chemical including New Venture Division, Market Development, Information Technology and Maintenance Manager. He also has experience in Supply Chain and Terminal Operations.

Imran was instrumental in obtaining allocation of permeate/offgas for a 210MW power project (USD 225m investment); feed gas for the Enven 1.1 mtpa fertilizer project (USD 1.2b investment), in acquisition of a control engineering company, in developing the business plan for mobile telephone services and integrated voice, data and video, implementing SAP for Finance and HR functions and managing the largest maintenance turnaround of 60 days to implement the capacity increase at Engro Fertilizer.

He was Chief Executive Officer of Engro Vopak Terminal Limited (2006) and Senior Vice President of Engro Corporation Limited (2014) and pursued growth initiatives in marketing RLNG and importing LNG as CEO of Elengy Terminal Pakistan Limited (2012). As CEO of Engro Elengy Terminal, he spearheaded and commissioned the first 4.5 mtpa LNG import infrastructure for Pakistan in a world record 300 days (March 2015). The project and strategies laid the foundation for growth of EVTL and ETPL.

Imran has served on the Boards of Inbox Technologies, Avanceon, Engro Energy and Pakistan Steel Mill, EETL, EVTL and ETPL. He was Chairman of Petroleum Institute of Pakistan in 2015 and serves on the Boards of PRL, Pak Grease, PAPCO, OCAC and PIP and joined PSO in September 2015.

Mr. Yousaf Naseem Khokhar

Member

Mr. Yousaf Naseem Khokhar holds a Master's degree in Social Policy and Planning in Developing Countries from London School of Economics, United Kingdom.

He has a rich experience in public sector development management of Pakistan spanning over more than thirty years. At mid-career level, he was instrumental in implementation of public policies and rural development. At senior and top management levels he is directly involved in formulating and spearheading public policy for country's overall development portfolio and energy sector initiatives.

In Small and Medium Enterprises Development Authority (SMEDA) he extended strategic direction, technical advice, expertise to develop and expand micro, small, and medium enterprises through innovative financing programs for funding enterprises that have become too large to tap traditional microfinance but are unable to access conventional bank funds.

In support with multi-national lending and non-lending organizations he placed mechanisms for ensuring compliance and safeguards for Prime Minister's Southern Punjab Development Package with financial outlay of USD 1.2 billion Aim of the program was socio-economic uplift of the backward and neglected region of Punjab.

In Energy sector, he is over-seeing power sector management with a portfolio of more than USD 36 billion under China Pakistan Economic Corridor (CPEC) for power generation in private sector, upgradation of transmission and distribution networks, minimization of losses and inefficiencies. He is providing leadership for a paradigm shift for providing net-metering through distributive generation based on solar resource and advancement of automatic metering infrastructure in collaboration with the Asian Development Bank as well as through public-private partnerships.
