

## DRIVING ETHICS

### Points To Ponder:

- Avoid over Speed it Thrills but Kills.
- Driver should physically be fit and fresh.
- Avoid Cutting people off, swerving in and out of traffic, blocking lanes.
- Avoid constantly hitting the brakes.
- Check for weather conditions (avoid traveling if Fog is extreme).
- Avoid Panic breaking.
- Avoid unnecessary hocking the horn.

### Golden Rules:

- The vehicle is fit for purpose, well maintained with seatbelts
- The number of passengers does not exceed spec for the vehicle
- Loads are secure
- They are licensed, trained, and medically fit
- They are rested and alert
- They do not use a mobile phone while operating the vehicle
- Not under the influence of alcohol or drugs
- Seatbelts worn by all occupants
- Safety helmets worn by rider and passengers of motorcycles etc
- Journey risks have been assessed.

### Driving Ethics Guidelines

- Keep the stop and indicator lights functional
- Keep the wind screen clean & free from dirt
- Learn to understand and follow road sign as a Golden rule
- Never overtake on winding roads/solid line
- Wear seatbelts
- Respect Zebra Crossing

**SAFE VEHICLES – SAFE ROADS – SAVE LIVES – SAFE DRIVE – STAY ALIVE**
