

PAKISTAN STATE OIL

# PSO CARIENT PLUS

Superior Performance You Can Feel

## PRODUCT DESCRIPTION

PSO CARIENT PLUS is formulated to meet the requirement of gasoline as well as diesel engine, available in appropriate viscosity grade which meets both the API SL & CF specifications. The oil is blended with high-quality refined base oils and Advance Additive package to provide improved high-temperature deposits control & lowers oil consumption over the life of the oil for passenger cars and light commercial vehicles.

## APPLICATIONS

- Formulated at SAE 20W-50 viscosity grade for gasoline engine cars best suited for local environment.
- Oil may be used where API Service Category SJ and earlier categories are recommended.
- Light commercial trucks with gasoline or light duty diesel engines.

## PERFORMANCE STANDARDS

Superior additive package used in formulation of PSO CARIENT PLUS motor oil endorses the following performance standards:

API SL/CF

## BENEFITS

PSO CARIENT PLUS motor oil provides the following benefits:

- Extra engine cleanliness and enhances service life of the engine parts.
- Superior protection against wear and tear at high temperature.
- Suitable for extreme weather conditions.
- Improved high temperature oxidation control.
- Outstanding protection against rust & corrosion.
- Improved control of volatility and oil consumption.

## PRODUCT CHARACTERISTICS\*

PROPERTIES	METHOD	TYPICAL RESULTS – SAE 20W-50
Density @ 15°C	ASTM D-4052	0.8962
Kinematic Viscosity @ 100 °C, cSt	ASTM D-445	19.5
Kinematic Viscosity @ 40 °C, cSt	ASTM D-445	181.6
Viscosity Index,	ASTM D-2270	123
Flash Point (COC), °C	ASTM D-92	226
Pour Point, °C	ASTM D-97	-21
Total Base Number, mg KOH/g	ASTM D-2896	7.1

\* These typical characteristics mentioned are based on current mean values.

### HEALTH & SAFETY

Guidelines for health, safety and handling are available in Material Safety Data Sheet of the product which can be obtained from PSO representative.

### ENVIRONMENT PROTECTION

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

### ADVICE

Advice on application not covered in this leaflet, may be obtained from PSO representative.
